Insert: "If House Bill No. 316 is not passed and approved or if House Bill No. 316 is passed and approved in a form that retains the \$500,000 allocation to the department of fish, wildlife, and parks in 15-38-202 for the purposes of 87-1-283, then \$1,000,000 of the state special revenue appropriation for Future Fisheries is appropriated from the allocation provided for in 15-38-202."

Explanation - This amendment is used in conjunction with HB000514.acd. The amendment should not be moved unless HB000514.acd is passed.

This amendment provides that in the event House Bill No. 316 does not impact the allocation from the resource indemnity trust fund of \$500,000 to the department of fish, wildlife, and parks, then the appropriation of \$1,000,000 to Future Fisheries in House Bill No. 5 is switched to the resource indemnity trust fund allocation.
